## STATE MAY BAR **ALL ALIEN LABOR**

U. S. Supreme Court Upholds Validity of the New York Law.

### STATUTE MODIFIED AFTER SUIT BEGAN

Twelve Missouri railroads abandoned in the Supreme Court to-day attempts to require the Missouri Federal District Courts to take jurisdiction over all suits to recover from them over-charges collected during the unsuccessful attempt to annul the Missouri maximum freight and two-cent passenger law. The suits already filed seek to recover \$24,000,000 from the roads. Attorneys for the roads antighest Bench Decides State Can Prescribe How Public Work Shall Be Done.

the law as unconstitutional.

The civil suit decided was that of William E. Heim et. al. vs. the Members of the Public Service Commission of the First District of New York. With Mr. Heim as plaintiffs were associated the Cranford Company and the Plinn-O'Rourke Company. The crim-Plinn-O'Rourke Company. The crim-inal case was that against Clarence A

tice McKenna referred to the care of Atkin vs. the State of Kansas, in which said the justice, it was declared that "it belongs to the state, as guardian and trustee for its people and having control of its affairs, to prescribe the conditions upon which it will permit public work to be done on its behalf, or on behalf of its municipalities. No or on behalf of its municipalities.

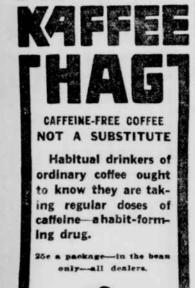

court has authority to review its action
in that respect. Regulations on this
subject suggest only considerations of
public policy. And with such considerations the court has no concern."

Justice McKenna held that "the labor

the state as a proprietor to control the construction of its own works and the distribution of its own moneys.'

Duluth, Nov. 29.—Traders in the Duluth wheat market were mystified after the close of the market to-day regarding the Canadian government's seizure of wheat. The general opinion was that its effect should be bullish.

Percy H. Ginder, secretary of a local grain house, expressed the opinion that the order automatically cancelled export contracts.

Delived the delared that the outlook was for a greatly increased all-rail movement of both American and Canadian grain to the seaboard, in view of the approaching close of navigation.
